

SEPTEMBER 25, 2021

Ballast Kickball Tournament Officially Back at Golden Gate Park

On September 24th, 2021 team members reunited for the Annual Ballast Kickball event. Despite the chilly weather, we had a great turnout with colleagues coming from all corners of the Bay Area. After almost one and a half years of being physically apart due to the pandemic, hugs were bountiful. Folks got into their individual teams to battle it out while friends and family cheered on the sidelines. Drinks and delicious catered tacos were served up throughout the event!

After several hours of play, the Ballast Investment Team was victorious! They will have their name etched on the Ballast Group Kickball Trophy prominently displayed at our San Francisco Headquarters.
